Professional Summary

Final-year B-Tech student in Computer Science Engineering (Data Science) with hands-on experience in building interactive dashboards and web applications. Skilled in Power BI, Excel, Java, Python, JavaScript, and SQL, combining software engineering principles with data-driven analysis to solve real-world business problems

TECHNICAL SKILLS

Languages: Java, Python, C, JavaScript, HTML, CSS

Developer & Productivity Tools: Git, VS Code, Microsoft Excel, Salesforce Developer Org

Data Visualization & BI Tools: Power BI, Microsoft Excel (Pivot Tables, Pivot Charts, Slicers, Conditional Formatting)

Projects

Hands-on experience building Excel/Power BI dashboards and web apps for ecommerce and insurance domains, combining software engineering with data analysis.

Online Movie Tickets Booking Website | HTML, CSS, JavaScript

- Built a responsive movie ticket booking site with movie browsing, showtime view, and seat selection.
- Implemented form validation and reusable UI components for better user experience.

ElectroHub Sales Dashboard | Power BI

- Designed an ecommerce dashboard to track sales, profit, quantity, and discounts across product categories.
- Added top/bottom 5 product views, time-series trends, city-wise analysis, and filters by product, date, customer, and promotions.

Insurance Portfolio Insights | Power BI

- Built an insurance dashboard showing premium, claim, and coverage amounts across customers.
- Analyzed gender and age-group patterns, and segmented active vs inactive accounts to understand portfolio health.

Salesforce Practice Tasks

- Completed hands-on configuration tasks in a Salesforce Developer Org, exploring custom objects, fields, and basic app setup for a sample business scenario.
-

Education

Guru Nanak Institutions Technical Campus – B-Tech, CSE (Data Science), 80%, 2022–Present

Krishnaveni Junior College – Intermediate, 95.7%, 2020–2022

Sri Vivekananda Vidyalayam High School – 100%, 2020

Certifications

- IBM SkillsBuild – Data Fundamentals for Data Analytics Certificate, 2025 (Online)
- Excel Using AI Workshop – OfficeMaster, 2025.
